

STAYING CONNECTED WITH NT4CM – MAY 2009

Who We Are

National Training for Counselors and Mentors (NT4CM) is a collaboration that provides free training and support for counselors and mentors who assist students and their families in preparing financially for college. As part of our ongoing support, from August to May, we will e-mail you reminders and resources relevant to the student financial aid lifecycle.

To find out more about NT4CM in your state, visit www.fsa4counselors.ed.gov/NT4CM.

This Month's Features

- College Navigator is the U.S. Department of Education's online tool that helps students perform guided college searches. Students can customize their search options and perform side-by-side comparisons to find a college that best matches their academic and career interests. To use College Navigator, students should visit www.studentaid.ed.gov and click on "Applying for College."
- Counselors should encourage sophomores and juniors to investigate scholarship options by checking their schools' scholarship postings, colleges' financial aid Web pages, and libraries for directories of special scholarships. Students can visit www.FederalStudentAid.ed.gov for more information about scholarships and federal student aid.
- We would love to hear from you! Please send your feedback or suggestions for future features to nt4cm@ed.gov.
